

# Great Results Guarantee

**Under this agreement for 2015  
Laura State School will receive**

**\$5,000\***

**This funding guarantees all students at Laura State School will achieve NMS for their year level in literacy and numeracy or will have an evidence based plan in place for their specific learning needs and will be used to improve reading data for P-3 students at Laura SS to align with regional priorities. Our goal is to:**

- **Improve** the percentage of Prep students achieving a PM Reading level of 9 by the end of Term 4 2015 from 50% in 2014 to 100% in 2015
- **Maintain** 100% of students in Grade 3 achieving NMS in NAPLAN reading, writing, spelling and grammar in 2014
- 

**Our strategy will be to**

- **Provide professional development** for Teacher Aide and Teachers to develop their capacity to deliver Explicit Teaching and Consolidation sessions. In particular, teachers and aides to attend:
  - FNQ Explicit Instruction Conference with Anita Archer
  - Consolidation/FLP workshops in Term 2
- **Develop a Pre-Prep reading Program** and provide “reading workshops” to parents and community members to equip them with the tools and skills needed to provide their children with the foundations of literacy before Prep.
- **Increase** Teacher Aide hours to provide one on one tuition for students experiencing difficulties. Data will be collected on a 3 weekly basis (letter/sound recognition, sight words, PM levels) and will be discussed in scheduled data analysis sessions (2 a term).

**Our school will improve student outcomes by**

• One on one consolidation sessions focusing on phonics, sight words with Teacher Aides	\$3000
• Professional Development on Consolidation and Explicit Teaching	\$1000
• Developing and implementing a Pre Prep Reading program	\$1000
