

Investing for Success

Under this agreement for 2022
Laura State School will receive

\$12,817

This funding will be used to

- 50% of students are at a 'C' or above in English Maths and Science.
- Ensure that 100% of students' progress along the Literacy Continuum.

Our initiatives include

- *Provide professional learning to support the demands of tasks to differentiate and support and ensure success, reflected in a 'C' standard or above for all students (inclusive curriculum for all students).*
- *Engage with the CLAW to provide Professional Learning, coaching and mentoring around the inclusive teaching of reading and writing, along with other identified school needs.*
- *Collaboratively unpack units of work and assessment tasks to incorporate local language, culture and history.*
- *Build teacher capability in pedagogy and curriculum decisions.*
- *Build teacher capability in gathering and using evidence to determine the focussed and intensive teaching required for students who need additional support to demonstrate success against the year level achievement standards.*
- *Provide focused and intensive teaching for students requiring additional support to demonstrate success against year level achievement standards.*

Our school will improve student outcomes by

Employ an additional teacher aide to support students with their reading in the classroom.	\$6,090
Provide Professional Development for staff.	\$6,727
TOTAL	\$12,817
